

# Station Gallery Student Supply List

Artist Instructor	Program	Date of Lesson
Dianne Darch	Holiday Card Workshop	Saturday, Nov 29 <sup>th</sup> , 2025

## Note to Participants:

### Welcome to our Holiday Card workshop!

Station Gallery provides all materials for this workshop, though you are welcome to bring your own.

We will be using **watercolour pencils** to add colour to our project. **I would recommend you purchase the Staedtler Water fillable brush** as it will retain a nice point to be able get into tiny areas. Of course, if you prefer you may also use either a round #3 or #4 watercolour brush.

The list below are materials that you may wish to purchase for yourself, but are not a requirement for the course.
